

25th DECEMBER IS NOT JESUS BIRTH DAY! POPE REVEALS – CHRISTIANS SHOCKED!

Christian brothers celebrate Christmas on December 25th every year. They believe that Jesus was born on that date. But the Pope has revealed that the Christians belief and celebration of Jesus's birthday is not authentic.

The Pope's statement is given shock to the Christian community who have been celebrating Christmas on 25th December every year. The Pope not only said that, but also smashed out that the year of the Jesus birth is misbelieve.

The Infancy Narratives:

Pope the Benedict XVI revealed in the 3rd page of his book 'Jesus of Nazareth: The Infancy Narratives' that it is not true that December 25th is the birth day of Christ and there is a huge gap in between the actual year of the Christ birth and the of the Christians belief.

Our Christian brothers don't have answer to a question that you have any proof in the Bible to celebrate Christmas on 25th December. But the Pope's explanation has confirmed the truth that there is no proof in the Bible.

Though many scholars, historians and spiritual leaders indicated that the belief about the history of Jesus is wrong, it is the first time a Pope , the most superior leader of the major Catholic Christian Community had revealed the truth openly.

As many as millions copies of these books have been printed in 20 languages to be circulated to 72 nations worldwide.

Already 2 volumes of the book 'The Infancy Narratives' have been published and in the 3rd volume, Pope Benedict XVI has written about the birth and childhood of Jesus. In this book he had revealed about the authenticity of the birth date of Jesus. He had also said in the same book that the year of the birth of Jesus is also untrue and it should have been much before the year which is in belief.

He had also said that the calendar used today which was invented by Dionysius Exiguus, a 6th century monk, was calculated wrongly the year of Jesus Christ's birth.

Even before there had been difference of opinions among the Christians with regard to the birth of Jesus. Most of the Christians believe that he might have been born between 6 BC and 4 BC. The irony is that the advent of the terminology of BC and AD is related to the birth of Jesus Christ. But, the birth of Jesus is yet to be proven has made a mockery of the calendar the world is following now. It shows the utter weakness of the Jesus Christ's history.

Next Shocking News:

The Pope Benedict XVI, 85 year old spiritual leader of more than a billion Catholic Community has revealed one more shocking news, in which many Christian brothers are finding tough to digest. It is that the Pope had raised the issue of the presence of animals at the birth of Jesus. He reveals that there is no mention of animals in the Gospels. There were no oxen or donkeys in the nativity scene of the birth of Jesus.

He had also said that as said in Christian belief, there were no songs sung by Angels or Shepherds predicted the miraculous birth of Jesus Christ and it is mere theological filling. There is no proof from the Gospels about this incident.

Jesus was not born in Cow Shed:

We can see that many Christians are setting a scene as if Jesus was born in a cow shed and keep dolls with Jesus lying in the Cow Shed in the Christmas celebration. But the Pope had broken those belief also. He clarified that there is no proof for Jesus was born in the cow shed.

The Christians worldwide consider Bible as their holy book., But the truth is that there is no clear evidence in the Bible about the place, date and year of birth of Jesus Christ. No conclusive point has been reached regarding these issues. There are many confusions and contradictions looming at large.

The birth of Jesus Christ cannot be proved as December 25th. In fact due to the continuing uncertainty many days have been celebrated as the birth day of Jesus. The revelations failed to reveal the true birth date of Jesus. In fact they have ignored this important date of birth.

It is considered that those revelations written during the times of the close friends of Jesus and during the times of his mother and her brother have failed to confirm the birth date of Jesus. This is an important point to be taken into consideration.

Contradictions between Mathew and Luke:

Mathew, one who wrote the history of Jesus, had mentioned about the King Herod who plotted a plan to kill Jesus, but his mother Mary and Joseph took infant Jesus and escaped to Egypt. But Luke had never mentioned anything about this important incident.

It is a mystery why did the holy spirit fail to reveal such an important incident? Instead, Luke is telling that Jesus was brought to the Church publically after 40 days in which days purification was happened . If the king Herod wanted to kill the child, he could use that opportunity. So, Mathew claim that Mary and Joseph escaped with infant Jesus to Egypt. But Lukas claim controversially that Jesus was brought to the Church after the 40th day purification.

The above contradictory incidents clearly indicate that the Bible is made up of fake stories. Br PJ has written about this in detail in his book, 'This is Bible' (Ithuthaan Bible).

Situational Glitch:

Now when they had departed, behold, an angel of the Lord appeared to Joseph in a dream, saying, "Arise, take the young Child and His mother, flee to Egypt, and stay there until I bring you word; for Herod will seek the young Child to destroy Him." When he arose, he took the young Child and His mother by night and departed for Egypt. (Mathew 2:13,14)

Now when Herod was dead, behold, an angel of the Lord appeared in a dream to Joseph in Egypt, saying, "Arise, take the young Child and His mother, and go to the land of Israel, for those who sought the young Child's life are dead." Then he arose, took the young Child and His mother, and came into the land of Israel. But when he heard that Archelaus was reigning over Judea instead of his father Herod, he was afraid to go there. And being warned by God in a dream, he turned aside into the region of Galilee. And he came and dwelt in a city called Nazareth, that it might be fulfilled which was spoken by the prophets, "He shall be called a Nazarene." (Mathew 2:19-23)

But Luke has claimed that there was a very normal situation while Jesus was born. They were in Bethlehem and they used to go and come to Jerusalem for the Pasco celebration every year. Luke 2:15-52

Luke failed to reveal incidents that are Herod's plot of kill child Jesus, Mary and Joseph's escape to Egypt, sworn of Herod's son and hiding life of Mary and Joseph outside of Jerusalem . Luke had said that the situation was very calm and they used to go to Jerusalem without any panic.

If the words were of God, why there are so many contradictions?

Was the situation very normal as Luke had revealed?

Was the situation very fearful as Mathew had revealed?

Did they travel to Jerusalem every year?

Or did they live in hiding as ordered by God to Jesus in his dreams?

Each and everybody had revealed the Biblical story as their assumption and hears. This is a proof that it cannot be the words of God.. Will say it God's words after these proofs?

No Proofs :

The most important festivals of Christians are Christmas and Easter Sunday. They believe that Christmas is the day Jesus was born and Easter was the day Jesus was resurrected.

Pope has clearly stated that there is no proof for Christmas to be celebrated on December 25th. On analysing with the help of Bible, the very proof about the day of resurrection of Jesus is not on Sunday and hence that celebration is also baseless. Since the two main celebrations of Christians are unauthentic, it is clear that the Bible that they are following is not the words of God.
