

The Government has invited applications for the central sector scheme of scholarship for college and university students.

Students studying in first year at recognised colleges or universities are eligible to apply.

Under the scheme, **the first-year undergraduate students** will be given **Rs.1000 every month** and when they join **postgraduate** programmes they will be given **Rs.2000 every month.**

For students pursuing **engineering or other professional courses** **Rs.1000** would be given till third year

and Rs.2000 a month on the fourth and fifth years.

Applicants must have appeared for March 2009 class XII examinations and the parents annual income

must be less than Rs.4.5 lakh, a press release said.
